To Whom it May Concern,

As I was surfing for jobs on the web, I was determined to find a position that would both better me as an individual, and put me in a place where I will be doing something I love. All of that searching led to disappointment and stress when I couldn't find a job that fit me. Early Sunday morning, one of my good friends told me there was an opening at Bath and Body Works in the Longview Mall. And I thought, it would be a fun and well-known environment to work in.

Sorting through smells of perfumes has been a part of my life since I was 10 years old, since my mother has the idea to collect as many perfumes as possible. I have about 7 years of experience with giving advice and helping people. I believe that my full success as a teenager qualifies me for the open position. And who could resist working at a place with such wonderful smells.

I would love to speak with you about the position, and to show you how much help I would be to the company. I remember when I was 13, I went to Bath and Body Works and spent almost \$150 on perfumes and lotions. My cell phone number is 903-817-7087 and the best time to reach me would be after 3:30 on the weekdays and anytime on the weekends, or if it's at any convenience to you, I could call or meet you in person.

Thanks for your help and consideration.

Sincerely,

Liberty Rundell
